From

The Deputy Commissioner, Tumkur Dt.

Docket No. 639 Dated 8th March 1905

The temple of the Sri Anjaneyaswamy in the Tiptur town is reported to be a muzrai institution endowed with some inam lands. The temple is in a dilapidated condition and one Sri Singri Nanjappa, representative member and an influential merchant of Tiptur offers himself to build & repair the temple substantially. Singri Nanjappa has, ~~deposed~~ it is reported, deposed before the Assistant Commissioner in charge of the Taluk when he inspected

M.C.P.S.—50—21-1-05

the temple that he would construct a pakka stone building at his own cost and that he would not claim any sort of control over the temple or in its management. Sirigri Nanjappa also requests permission to make use of the two stone mantaps now in ruins at Turuvekere, for which he is prepared ~~if~~ to pay if necessary any reasonable price - Of the two mantaps one called the Bhavani Mantap is about two furlongs from the temple of the Sri Byatarayaswami at Turuvekere & belongs to the ith. It is reported that the being in no way useful to the temple, the Villages & Dharmadarsis have executed a mahazar to give away the mantap in question to Sirigri Nanjappa for an upset price of Rs 300/- which he ~~is~~ has agreed to pay. This sum the Deputy Commr proposes to invest in the Savings Bank to the credit of the Sri Byatarayaswami temple - The other mantap called the Jain Basti mantap is valued at Rs 80/- by the villagers & the Asst Commr fixes a round sum of Rs 100/- as a fair price which Sirigri Nanjappa is prepared to pay

Muzrai Secretariat. File No. of 190

The townspeople of Turuvekere are anxious to secure the sum also to the benefit of the Sri Byatarayaswamy but the Asstt Commr thinks that the money could not be appropriated to the temple of a Hindu Deity. The Deputy Commr solicits instructions to utilize the sum of Rs. 150/- to the Sri Byatarayaswami temple or to credit the same to Govt

As Mr Dingi Nanjappa is very anxious to put in hand the construction of the temple at the earliest possible date and as he has arranged for dismantling and conveying the materials from Turuvekere, the Deputy Commr requests that the necessary permission may be accorded early.

From the communications records it is observed that petitions were received from

from one Nanjappa of Nagore
and some of the gains of Lambagu
in the Tiptur Taluk the former
petitioning against the Bhumani
mantap and the latter against
the gain Basti mantap, having
given over to Nitte Nanjappa; and that
that the first petition was subsequently withdrawn by the
petitioner himself. As regards
the second petition the Asst
Asst Commissioner Mr G. Krishna
Rao says in his yadi no 555
dated 22nd February 1905 that
the petitioners who belong to the
villages of Lambagu are in no way
connected with the Basti mantap
in question which is situated
in Tumkur town and that
the gain idol therein was removed

Muzrai Secretary's remarks.

In view of the opposition raised by the Jains it does not seem desirable to sell the Jain Mantap referred to above and to authorize the crediting of the sale proceeds for the benifit of the Hindu temple of Sri Byatarayaswami at Turuvekere.

The Bhavani Mantap belonging to the Hindu deity at Turuvekere may, as recommended, be parted with to Mr. Singri Nanjappa for Rs. 300/-and the amount credited to the funds of the temple.

The offer of Mr. Singri Nanjappa to re-build the temple of Sri AnjaneyaSwami at Tiptur at his own cost may, it is submitted, be accepted with thanks, but he should be asked to execute the work.

Singri Ranjappa a representative member and an influential merchant of Tiptur now offers himself to build and repair the temple substantially as per plan submitted by him.

4 The petitioner has deposed before the Asstt: Commr: that he would construct a pakka stone building at his own cost and that he would not claim any sort of control over the temple or in its management. Under these circumstances the Asstt: Commr. (Sri. P. Srinivasa Rao) requests that the permission prayed for may be granted.

5 As the temple is an ancient and time-honored Muzarai Institution and as it is in need of urgent repairs, the undersigned recommends that Mr. Singri Ranjappa's request be complied with. The petitioner requests that he may be allowed to make some use of the two stone mantaps now in ruins at Tiruvekere. He is prepared if necessary to pay a reasonable price for them.

6 Of the two mantaps one called the Bhavani mantap located at a distance of about two furlongs from the temple of Sri Byatarayaswamy at Tiruvekere is ascertained to be the property of Sri-Byatarayaswamy. This being in no way useful to the temple, the Villagers and the Dharmadarsis, have executed a Muchalkar to give away the mantap in question to Mr. Singri Ranjappa for an upset price of Rs 300/-, which sum he has agreed to pay. It is accordingly proposed to receive and invest the sum of Rs 300/- in the Savings Bank deposit at the credit of Sri Byatarayaswamy and hand over the mantap to the petitioner.

7 The other mantap called the Jain-Basti

Basti mantap is valued at Rs 88/—
by the Villagers, while the Asstt: Commr:
thinks that a round sum of Rs 100/—
is a fair price to be fixed for the
Lane and the petitioner has also
expressed his willingness to pay this
amount. It is therefor proposed
that this mantap may also be given
away for the said sum of Rs 100/-.
The townspeople of Turuvekere are
anxious to secure this sum to the
benefit of Sri Byatarayaswamy
but the Asstt: Commr thinks that the
money could not be so appropriated
to the temple of a Hindu deity. In-
structions are solicited either to utilize
this sum for the benefit of Sri Byata-
rayaswamy or credit the Lane to Govt.
& As Mr. Lingji Ranjappa is very an-
xious to put in hand the construction
of the temple at the earliest possible
date and as he has arranged for
dismantling and conveying the
materials from Turuvekere, it is re-
quested that the necessary permission
may be accorded early.

Order thereon

In the communication read above, the Deputy Commissioner reports that the temple of the Sri Anjaneyaswami at Tiptur is in a dilapidated condition and that one Mr. Singri Ramjappa, a Member of the Representative Assembly and an influential merchant at Tiptur, has deposed before the Assistant Commissioner that he would re-construct the temple in stone at ~~a pucca stone temple at~~
